

Career Pathways Summer Course Opportunities @ El Camino College

Summer 2023

Summer courses at El Camino College are an excellent way to learn more about your career pathway(s) of interest! ECC Summer classes run from June 19-August 10.

We encourage you to consider registering for any of these you find interesting, regardless of which school you attend or which pathway you are currently in. More information about class meeting days and times can be found [here](#) (Select “summer” for the term)→

The classes listed below are an opportunity for you to learn more about your particular area(s) of interest and will be valuable additions to your resume and college applications, but they are not transferable for high school graduation credit and will not go on your Da Vinci transcript.

To register for a summer course at El Camino College, please follow the steps described on the next page. If you would like any help, please contact your counselor.

If you are interested in enrolling in a course, please complete the following steps:

Step 1: Apply to El Camino College

Never applied?

- Submit an application for admission for Summer 2023: www.elcamino.edu/apply
- Students can follow along screen-by-screen with this link: [Help to Complete the Application for Admission](#)
- After submitting, you will receive your Welcome Email (with 7-digit El Camino College ID #) in 1-3 business days at the personal email address given on your application.
 - \$ If you do not receive your Welcome Email after 3 business days, please email : dualenrollment@elcamino.edu

Previously applied?

- Your El Camino student account is still in good standing if you submitted an application for admission for Spring 2023 or Winter 2023
- Your El Camino College ID # is the same as previous terms and is 7-digits (no letters)
- If you do not know your El Camino College ID #, please email : dualenrollment@elcamino.edu

Step 2: Complete the Dual Enrollment Application

Once you apply to ECC and receive your ECC ID, you must complete a Dual Enrollment Application.

- Students must submit a completed Dual Enrollment Application for each term they wish to registered for. Once the student and parents complete the Dual Enrollment Form, please contact your counselor to obtain their signature in Section III of the Form
- Next, email the completed Dual Enrollment Form, with signatures from student, parent and counselor to: dualenrollment@elcamino.edu

Step3: Check for prerequisites

Some courses have prerequisites which students must clear before they can register: [List of courses with a prerequisite.](#)

Step 4: Enroll in course

After Steps 1-3 are completed, you are ready to register for classes online using MyECC!

- Students can register anytime on or after your Registration Appointment for the term
- Students can register for any class section of the course(s) listed on your Dual Enrollment Application form
- Here is a guide to help you search for classes and register for classes
